

## STUNNING FRENCH STITCHED LEATHER CLAD 3-DRAWER CABINET

This all leather clad cabinet with exquisite stitching throughout has 3-ample paper-lined drawers and original brass pulls. The dark brown coloring of the leather and the white stitch make this piece VERY special. This is a very masculine, trunk style commode will compliment Jean-Michel Frank style décor. The paper liners are original and for the most part very clean for their age. This is a dark brown stain over leather with fine stitching throughout this piece.
