

STUNNING MAISON JANSEN STYLE, TWO-DOOR CABINET

So pretty! This cabinet has two doors that are concave, adding to the architectural design of Maison Jansen's work. The interior has three (3) glass shelves for storage and the interior is a beautiful light fruitwood (see detail images). All original brass hardware, hinges and key. This is not a very large cabinet so it fits wonderfully in many spaces for your décor. The color is a rich salmon or antique pink tone.
