ADDITIONAL INFORMATION

Date of Manufacture	1950's
Dimensions	Height: 31.25 in Diameter: 9 in
Sold As	Single Item
Materials and Techniques	Stone, Wood, Carved
Place of Origin	United States
Period	1950 - 1959

Condition

Good - Rewired: New twisted silk cable and plug, new double cluster stem and sockets fitting standard Edison bulbs up to 100 watts. Wear consistent with age and use. Due to the irregularity of the carved stone element, the stem has a slight tilt which is corrected by an articulating finial that allows the shade to sit straight, making the tilt unnoticeable.
