

**GINO SARFATTI 2097/30 CHANDELIER**

Designed originally in 1958, this iconic Gino Sarfatti chandelier has served as an ultra-modern representation of the traditional midcentury style. Every detail of this state-of-the-art ceiling light is exceptional, from the mirror-polish of its main steel structure to the way each bulb is fitted with its own horizontal arm and the graceful wiring meanders down the stem. The 2097 chandelier holds 30 incandescent bulbs, emitting indirect light. It features a ceiling fitting and includes a suspension cable.

Inspiration behind the design:

Renowned for his contribution to the modern architectural movement in lighting, creator Gino Sarfatti designed the 2097 in accordance with his legendary utilitarianism and overall desire to create humble yet powerful pieces.
