

VINTAGE PAIR OF TETE DU FEMME PLASTER TABLE LAMPS AFTER ALBERTO GIACOMETTI

Wonderful pair of painted plaster Tête de Femme table lamps after the original by Alberto Giacometti, designed circa 1930's. A classic design with singular presence - the two lamps have slightly different finishes, one more matte finish than the other. It is hard to tell in pics. The wiring is original and working. Shades shown can be included if requested at NO additional cost.

NOTE: Shade dimensions shown are 18 inches wide by 10 inches deep.
