

POP ART STYLE AVIATOR SUNGLASSES WALL MIRROR

49 inch Long classic JMF style heavy iron console table. Showing Industrial metal signs and spots with matte dark wax finish. Not a perfect consistent finish which is how it was created and meant to be. Made and designed for Gustavo Olivieri Studio. Measures: 49 inches long, 13 inches deep. Two available. Note: There is a similar longer 66 inch version of this design and same height and depth. By its nature, there are slight variations in finish. They complement each other perfectly.
