LARGE ROUND CANARY YELLOW KLISMOS TABLE BY THINLINE

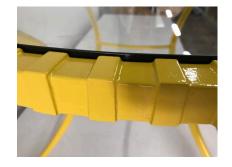

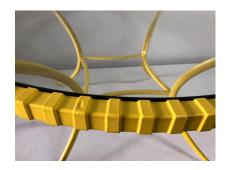

This totally awesome and vivid yellow round Klismos style table in cast aluminum made by Thinline. This is powder coated in a canary yellow and has a new 3/8 inch thick tempered glass top, perfect indoors or outdoors. Thinline made this wonderful cast aluminum large round table with glass top. Perfect either for dining table or patio use. One of the first manufacturers of cast aluminum furniture, Thinline used only the best castings and alloys. As a result the fine edging and crisp lines have stood the test of time and make these prized pieces.
