

## LARGE SCALE GAMBONE STYLE PAIR OF PLASTER LAMPS

Made in USA, these great large-scale lamps are hand made with painted plaster in the style of Bruno Gambone. They are quite unique, and they have a lot of personality on their own. SEE ALL detail images in listing and video for better understanding of details and beauty. Dark brass double socket hardware and brown silk twisted electrical wire. These lamps weigh approximately 45 pound each, take that in consideration, shades are only for photography, not available for purchase.
