AUSTRIAN MID-CENTURY CRYSTAL "MIRACLE" CHANDELIER 3317 BY BAKALOWITS

TWO AMAZING Vintage Sputnik "Miracle" chandeliers by Bakalowits & Söhne, Vienna, Austria, manufactured in midcentury, circa 1960s. The fixture consists of a layered multi-tier structure made of nickel-plated brass rings and glass rods with faceted ends in different lengths. The light this fixture emits is truly magical since each rod seems to glow from within. The length provided is from the top of the canopy shown to the bottom of glass fixture.
