

PAIR OF SIGNED KARL SPRINGER TABLE LAMPS

This is a phenomenal pair of SIGNED Karl Springer sculptural, wide and heavy lamps shaped as a rectangular block at the base and as a ninety degree angle semi-tunnel in shade. Both parts are joined by a solid rectangular block - ALL in a dark bronze gunmetal finish. The quarter circle sculptural shade directs the light down with TWO sockets, enhancing the matte gunmetal finish.

Both lamps are signed at the base. These lamps are rare and to find a pair is quite unique.
