

RARE LARGE ART DECO PERIOD POLISHED CHROMED TORCHIERE LAMP - TWO AVAILABLE

Extremely RARE, this large machine era/ Art Deco floor lamp is MARKED "HK" and we have not found the name attributed to this marking. It has been professionally restored with an amazing reflective finish and new plug and dimmer (for US). We have TWO of these beauties available in slightly differing heights but with same overall scale - they work perfectly together as desired. SOLD and priced individually. This is the taller floor lamp at 71 inches tall and 18x18 at the top. The shorter floor lamp (shown in a detail image) is 67.25 inches tall and 18x18 at top. These are VERY heavy and amazingly crafted lamps.
