

FORTUNY CAMOUFLAGE STYLE FABRIC OVER A LARGE RECTANGULAR MIRROR

An amazing custom wall mirror in Fortuny cotton fabric and beveled mirror. Two available - priced and sold separately.

This cotton fabric is a Venetian interpretation of traditional camouflage, Fortuny's Camo pattern is created from photographs of water and islands as opposed to foliage. Printed at the Fortuny factory in Venice. The beauty of Fortuny is that no two runs are ever the same. Each is a unique piece of art in its own right, with variations in color and texture. Two available.
