

## ITALIAN 1940'S DECO WALL MIRROR

This exceptionally RARE dark bronze patina wall sculpture SIGNED by American artist and furniture maker Silas Seandel 1977, depicts an organic ribbon-shaped form crafted out of bronze. The dynamic ripple and movement of thin fabric are mimicked in this work, albeit in a material traditionally associated with solidity and mass. The juxtaposition of the light, airy motion with the heaviness of the bronze creates a visually interesting and unique composition.
