

DIEGO TORRES ORIGINAL OIL ON LINEN PAINTING "CAVERNS"

This beautiful framed painting by Diego Torres, is so exquisitely detailed it almost appears to be of photographic quality. Wonderful colors and a vivid scene, this signed piece is worthy of any collector's investment.

Diego Torres was born in Havana , Cuba in 1970, graduated from the Academy of Fine Art San Alejandro in 1996. Torres approaches landscapes in a different way; he prefers to capture and synthesize the essential details, those that help him piece together a story. For this painter, landscapes are a pretext for leaving behind a commentary that goes way beyond the sensual representation of a natural scene.
