EXTRA-LARGE BRUTAL STYLE AGATE STONE BUTTERFLY WALL SCULPTURE & LIGHT

This 6 foot wide brass illuminating wall sculpture in a copper finish and adorned with multiple natural agate stones in blues, purple, ochre and grey. This provides an outstanding lighting for any wall with back-lit ambient lights. The agates come alive at night or in the day due to their vivid coloring. Trimmed with a chunky brutalist metal drip, this wonderful sculpture is STUNNING! This is UNIQUE - largest butterfly sculpture we have ever had the pleasure of offering. In the style of Duval Brasseur. NOTE: it is very heavy, can be hung with a chain or brackets to verso but we recommend reinforced walls to hold up to 200 lbs.
