

MAURO LIPPARINI KRISTALL COLLECTION ITALIAN LOVESEAT SOFA FOR I4 MARIANI

This exceptional heavy chrome, two-seat sofa is deep and comfortable with original fabric and leather straps - original label. The leather straps wrapped around the steel frame of the base convey a sturdy impression as they provide support to the strong-lined yet generous cushions; at the same time, the seating area appears to have levitated, lifted gently off from the floor below, as if the luminous line of the frame could somehow counteract the effects of mundane gravity. At the rear of the sofa, a chromed horizontal steel plate both contributes to the chic visual styling and allows for the subtle positioning of the back cushions to create a wonderfully comfortable seating arrangement.
