

CHAINE D'ANCRE ANTIQUE IRON CHAIN LINKS SIDE TABLE (4 AVAILABLE)

These studio custom tables using 19th C. ship anchor chain, are finished in blackened iron patina. The actual chain is a little more rustic, showing rust and age. The entire table is primed to preserve the unique patina. Please NOTE that FOUR (4) of these tables are available - some minimal differences in height, patina and chain. Each one is unique and distinctive. They compliment each other beautifully if used together. Priced and sold individually.

NOTE: The full height to top of chain is 28 inches, the table surface is 24.5 inches tall.
