

## ITALIAN MID-CENTURY SIDE-TABLES/ NIGHT STANDS BY VITTORIO DASSI, 1950'S

Stunning Side-Tables or Night Stands designed by Vittorio & Plinio Dassi in the 1950s. Its aesthetic uniqueness is given by the original sculptural shape design of the drawers and lateral supports, in addition with the gray reverse painted glass plateau to lower level and a long sheer crystal half-shelf on the upper level. The top crystal glass has etched sides, very thick and crafted beautifully. Very elegant with his sculptural geometric legs.
