

## JULES LELEU ATTRIBUTED SIDEBOARD/ CREDENZA

French Art Deco buffet, sideboard or credenza attributed to Jules Leleu. Constructed with superior quality blond woods, mahogany and lemonwood, perfectly centered, elaborate marquetry with fine mother of pearl inlay. Very generous sized cabinet with a wonderful amount of storage space. This piece has been stripped and high lacquer removed, keeping a beautiful and updated matte finish to the wood.

The bronze caps, rings, sabots and original keys add to the elegance of this remarkable piece, in addition to the sycamore wood interior all of which equals French Art Deco at its best. The buffet features four slightly curved doors, opening to inner shelves and two drawers.
