

SIGNED ANGELO MANGIAROTTI EROS WHITE CARRARA MARBLE TABLE FOR AGAPECASA

Angelo Mangiarotti SIGNED round pedestal dining table in highly figured white Carrara marble. This table is from the M1 and measures 53 inches diameter. The detachable round table top has clearly been carved from the same block as the pedestal base, and because of its marble pins it is quite stable. Veins running through the top continue into the base in an exceptional attention to detail and beautiful aesthetic.
