

## SIGNED ROGER CAPRON VINTAGE WATERFALL TILED COFFEE TABLE

Natural earthy toned coffee table designed by French ceramist Roger Capron in the mid-20th Century. Features a rich-colored wooden base and a beautiful waterfall style ceramic top with florals impressed in to the tiles. The famous Garrigue tiles by Roger Capron adorn the entire table draping down on the sides. The handcrafted tiles are made using a unique technique where real leaves and flowers are pressed into the clay before firing, leaving behind a highly detailed imprint. The plants used are from the "La Garrigue" region in southeastern France where Capron lived and worked.
