

FRAMED WW II NAUTICAL SIGNAL FLAG 'YELLOW & BLUE'

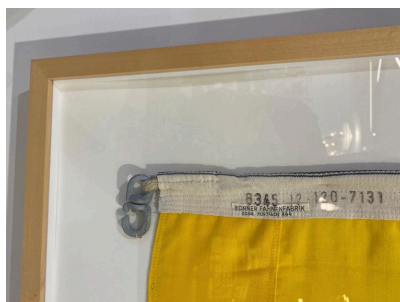

This flag represents the sign for "BOOT SIGNAL - STEER TOWARDS" - according to the international flags and pennants chart. The flag is a vivid yellow and blue. Hardware is galvanized steel. This is a large ship standard sized flag.

Professionally framed in natural maple low profile shadow box and sewn on to the matting, this vintage German-made nautical Signal flag from WW II era, was never used and acquired as a group. The purpose of International Signal Code Flags is to be able to communicate with other vessels to provide safety and communication between other boaters.
